

Cyclones Amateur Hockey Association
1996 S. Kirk Road
Geneva, IL 60134
www.cycloneshockey.net

My name is Tom Baginski and I am currently the president of the Cyclones Hockey Association (CAHA). We are a registered 501C3 charity that works on development of youth hockey players in the western Chicago suburbs(Geneva, St Charles, Batavia, Kaneland and many more). CAHA runs seasonal programs year round in Fall, Spring and Summer offered to all skill levels of players.

CAHA has over 450 youth players participate in our programs between the ages of 5 and 19 every year. The Club has been established since 1999 and our primary home ice arena ice is the Fox Valley Ice Arena.

Our primary goal is to offer high quality hockey program at an affordable cost to youth hockey families. That said in order to be competitive and provide the necessary coaching and ice time to properly develop players we are seeking corporate/ business partners to help keep costs at realistic levels for players.

The Funds received from sponsors' contributions are allocated into the following areas:

- Financial Aid fund for players
- Scholarship Fund
- Coaches Salaries
- Offsetting Increasing ice costs- (\$455 per hour in 2019-20)

The levels of sponsorships are ways you or your business can contribute. We truly appreciate your commitment to help our club with your tax- deductible contribution.
