

The Annual Meeting was held over four sessions, one with each league (C1, C2, C3 and Friday Lunch League) on December 16, 17, 18 and 19 at the season end parties..

The following topics were covered by Don Klinger (2025 OTHA Association Commissioner):

- We have a different format for the annual meeting this year, a single meeting is replaced by a meeting at the season end party for each league.
- Thank you to everyone that makes our product possible (board, scheduler, scorekeeper coordinator, captains, referees and rink/bar staff) Thank you to Mike Geremia who took over Friday Lunch League for Chad Mangum, Bob Loesner who transitioned from Jay Montcalm for C3 and Dave Madanski has been coordinating Jersey orders each season.
- Financial Report
 - Each season costs about \$71k. During Winter and Fall seasons, we come close to break even, sometimes with a small loss. One additional player in our C2 and C3 leagues (8 additional players) ensures positive cash flow for the year.
- State of our leagues :
 - Consistently filled each season with extra players, growing Friday
 - Very low incidents of player conduct/safety issues
 - Eliminated annual membership fee in 2025
 - Pickup registrations moved to OTHA website grouping C1/C2 for a game and C2/C3 for a game
 - Teammate Support page created to support players going through loss of loved ones, illness or other matters that could benefit from community support
 - Board meetings are on the calendar and minutes are on the documents tab - you are welcome to attend, please let us know ahead of time
 - Jerseys for new players and replacements are ordered at the beginning of each season, let your commissioner know if you need replacements
 - Non-value added Sports Engine add-ons were removed from the registration process to reduce the time and effort to register.
 - The C2 league is piloting the Player Safety and Conduct standard
- New email and storage for commissioner and treasurer
- Commissioner minutes consistently on the website
- I would like to add pictures of our activities to the website - if you have pictures, please send them to me.
- Things we decided not to do
 - SE vendor changes
 - Having our own referees
 - C1 at Truist/Truist pickup
 - Player business directory
 - Bojangles p/u is stalled

- Truist Field regular season games for our C2 and C3 leagues - I hope you enjoyed them, we need input for 2026
- There are lots of opportunities to participate, let me know if you have interest - Commissioner nominations volunteer roles - board positions, scorekeeper scheduling, jersey ordering, events coordinator, OTHA Store Manager
- OTHA Branded Merchandise is available for purchase at the bottom of the Home page 15% discounts through the end of the January - additional logo coming soon. T-Shirts, hoodies, sweat pants, hats, glassware and many other products.
- 2026 look ahead - consistent league play, no changes planned
- Association Commissioner nominations - no nominations were received prior to the Annual meetings and no nominations were received from the Floor
- Association Commissioner vote - Don Klinger will continue as the OTHA Association Commissioner for 2026
- Open for questions publicly or privately

The following suggestions were offered:

- For Truist - parent/child - from Justin Culbertson
- Bojangles pick up - Mike
- Can Am games
- Ice slot for players over 50
