- Anna also shared that the individual photo books will not be ready as the inclusion of state tournament pictures is the preference.
- Attire for the banquet is "nicer clothes." Dress pants/shirt are most common. Jeans and a polo are OK too.

- Sara will connect with grade-level coordinators to share the information mentioned above.

6. Concessions Report (Sarah)

- Concession revenue was really strong this year. The square was instrumental in this.
- Sarah has already returned and gotten money back from Sams for items that could be returned.
- Sarah hopes to sell some of our extra stock to wrestling for their concession needs.
- The district plans to construct a new concession stand (and team rooms) this spring. This will include a new entrance to the stadium.
- Sarah and Anna mentioned the need to get some new items as some (popcorn maker, coffee maker) have run their course and will be retired.
- Some concerns were shared related to a high volume of sophomore class volunteers and the need to replace these parents with the next level (2024 freshman and sophomore parents). The consensus is that this is relatively normal, but this will be a point of emphasis in pre-season meetings.

7. Presidents Report (Sara)
