Note from the Board

Greetings NYH -

Well it's been quite a busy winter and it's hard to believe the season is winding down this weekend. Good luck to our U10 Blue and U12 Elite teams headed to their respective league playoffs!! Also a big congrats to all our teams who battled hard this year and pushed themselves to progress through another highly competitive season.

Before we wrap-up for the year the Board wanted to provide you with a glimpse at the 22-23 season in a document link below. Based on feedback from our mid-year survey and discussions with our Hockey Directorate and coaches, we wanted to provide our families with a detailed look at our programming for the upcoming year. Please take a few minutes to review the document as well as the information in this newsletter regarding spring and summer offerings, and of course, tryouts!

On behalf of the Board, we want to thank you for another great year. Navy Youth Hockey is fortunate to have such dedicated families helping us provide a safe, fun and competitive hockey environment for our kids. Have a safe and happy spring!
