Field Assignments:

Field assignments are highly subject to change as the season goes on. Due to the map and number of teams, it is not found on this sheet. To view field assignments, please check our winter soccer page.

Player Drafting:

In order to make our teams as even as possible, we conduct player drafts during the first few practices of select divisions. If a draft is being conducted, each coach will take a turn with each kid before meeting with the director and making their selections. Once selections are made, it is final. **No team change requests will be entertained.**

Parking:

At our fields, there are a lot of parking spots but depending on the time, it can be limited.

There are 3 “zones” you can use:

- The YMCA lot
- The baseball lot
- Along the streets (for a fee)

If you are parking in a lot, please obey the general parking rules. Please only park in designated parking spots. Do not block other cars in their spot or block the entrance/exit of the lot. Tickets will be given out.

Volunteering:

PAL of Hallandale Beach can't operate without its volunteers!

If you or someone you know can coach this season, please do not hesitate to reach out!

Getting started is simple and involves completing a background check and two short safety courses. Upon completion, you are set!

All coaches will be provided with equipment, drills, and access to licensed coaches who can answer questions as they come up.

If interested in coaching with us this season, please reach out to us at palhb@cohb.org or text us at 954-243-0809.
