Fall 2020 Player Registration:

We will be utilizing a registration system called SportsEngine this year. This will allow you to complete your registration, pay your fees for the season and complete all the necessary documentation online. You also have the option of paying your fees by writing us a check to Grassland Boys Lacrosse or Venmo (@Grasslandboys-Lacrosse). Below are the items you can expect to complete upon registration via the new website.

- ◆ Player and parent information
- ◆ US Lacrosse Membership

- ◆ Sports Physical Form provided by your doctor
- ◆ Completed Concussion Form.

*****Your player cannot participate until all registration requirements are complete & payment is received*****

Team Communications:

We will also be using SportsEngine for all team communications. Once our team rosters are set and all players have been assigned to their specific team, you will receive a communication to join the team via SportsEngine and a phone app will also be available for download. This will be our only line of communication for practice cancellations, game times, etc. So, very important that each parent downloads the app or you will miss important communications in the future.

We look forward to a great season for the Grassland Boys Lacrosse Team. If you have any questions or need information, please contact us at the email address below.
