IYHA Jr Fuel is a proud member of the Indiana State Hockey Association.

Formed in 2020, the ISHA represents all eight Indiana youth hockey organizations. Collectively, ISHA has a goal to work on collaborative opportunities to grow the game of hockey across the State of Indiana. In addition to statewide efforts, the ISHA is the governing body for Indiana Elite AAA hockey teams. Indiana Elite teams are the state's highest competing teams in the 9U-18U birth years.

Host a Player

With the Indiana Elite teams calling the Fuel Tank their home ice for training and games, players at the highest levels of youth hockey ascend on the greater Indianapolis area to pursue their hockey goals!

These players are in need of a good family to host them as they play and train here. Host families and their players create lifelong bonds, elite and dedicated players serve as great role models for young hockey players.

Host families receive a monthly payment of \$350 for food and other expenses. Host families are not responsible for player transportation. Travel for games will be taken care of by the team including bus and hotel accommodation. Players have strict team and USA Hockey rules, and families must be Safesport Certified and pass a background check.

If you are interested in hosting a player, please contact Indiana Elite Billet Coordinator, Sara Zembrodt at szembrodt@gmail.com or visit www.iyha.com/billets
