

## COVID-19 UPDATE – May 11, 2020

SYSC has received notice from Ontario Soccer (OS) that all soccer activities will remain suspended until June 30. OS advises that clubs continue to offer registration and plan a summer program to ensure clubs are ready when given the green light to start. SYSC is hopeful of a July 1st start date for the recreational and competitive program.

SYSC is asking for all players to register online (with the exception of competitive – SC United players currently on a roster). There is no cost at this time and fees will be determined a later date. Registration deadline is June 15th.
