SCHWABEN IS GOING TO GERMANY

TRAVEL THE WORLD

Since 2012 Schwaben has partnered with Hamburger Fussball Verband (HFV) in Hamburg, Germany for an International Exchange Program. Every other year HFV hosts Schwaben in Germany and Schwaben hosts HFV in Chicago/Buffalo Grove. This summer Schwaben will be traveling to Hamburg with 18 players and coaches to spend ten days at the HFV Academy to play practice, play tournaments, sight see, and spend time with a host family.

We are very excited to be able to offer this unique opportunity to our players.

Borussia Mönchengladbach Youth Academy is Coming to Schwaben

Borussia Mönchengladbach Soccer School is bringing their official Bundesliga coaching staff from Germany to provide in-depth training covering tactical understanding, technical skills, and physical training techniques.

Many international clubs license US coaches to put on the camp rather than have the official league coaches from the country - this is truly an exclusive opportunity for those outside the European academy system to be seen, coached, and scouted by professional world-class Bundesliga coaches. All players will receive:

- Personal evaluation
- Certification from BMG
- Chance to earn a spot for training with the youth academy in Germany
- ***For High School Players*** Local D1-3 colleges will be sending scouts and coaches to training sessions
- German International Player Oliver Neuville will be in attendance and coaching the kids
