Coaches Comments

- The 13 racks we are using at Evening Street have been sold to a small school so they will come get them when we are done.
- The boys are working hard and Coach is pushing them hard.
- We have 105 kids rostered.
- The boys are getting water breaks every 5 minutes in the heat and they are getting ice baths.
- Coach is getting designs for the trailer and it will cost around \$3500.
- We consistently have 70-80 kids for conditioning days.
- The hedgehog and QB net came in.
- Getting prices for pizza for camp.
- Getting kids their football lockers next week. We don't have enough lockers for every boy so some boys will have to share. It will be based on who attended lifting and conditioning.
- The next equipment pickup date will be 6/27.
- The BOE is picking up one more of our coaches salaries.

CARDS, Inc.

- They are going to require us to use the POS in concessions.
- They are going to require every sports team to use Gipper instead of Canva.
