## **Treasurer's Report**

- Steve said Jr Development fund has \$10,367.38. General Fund \$2086.98. PayPal \$250. Total \$12,704.36
- Steve said a small increase may be necessary to keep in the black for next year but it wouldn't be much.
- Steve said there are no outstanding bills.

## **Officials Report**

- Kate had nothing new to report.
- Darren said there is a push to go back to three junior divisions from five. This is do to low number of skiers in some regions. Midwest region is pushing to keep it at five divisions. Paul Chapin agreed it would be best to keep at five divisions. Bob Bulfer also thought it should stay at five divisions and if a region wanted to adopt the three divisions for their regional awards they should, but the kids should still be in the 5 divisions for skiing at Nationals.

## **Web and Media**

- Steve said keep sending pics and Hannah is taking care of social media.
-

## **Old Business**

- Darren said they are talking with Tim Mower about swapping weekends for the center city record. The center city record may be June 20-21st.
  - Darren said Nationals will be 7 days Sunday to Saturday.
  - Scott Gordon asked if GMO will be having jump this year. Bob replied they are working on it and would still like to.
- 

## **New Business**

- Paul Chapin brought up that the boards need to be replaced on the towers at center city..
- Darren said MWSA might need to buy a few new ropes and are still missing the MWSA club handle. Hannah will put out a social media post regarding the missing handle.
- Brandon Rose was asked about being the lead on Junior Development. He said Heather and himself would think about it as well as working with Bridgett.
- Paul Chapin has been awarded the 2026 Award of Distinction from USA Water Ski and Wake Sports Foundation.

Next Meeting will be 12-16-25 at 7 pm.
