### COACH'S CORNER

JoAnne & Tabre

We hope everyone had a great Thanksgiving. From practice on Sunday, it sounded as though all of the girls did. We have been working a lot on rotations the past couple of weeks in preparation for our in-house tournament this Saturday and for the season. It is great seeing the connections on the court build and become stronger. This Saturday should give us a good opportunity to see things we can continue to work on before our first official tournament December 15. Very excited to get the team on the court and into some games. Have a great week!
