Regarding CODE OF CONDUCT CARDS

	The YELLOW CARD — or a ref's warning given verbally thru a coach— is a SECOND warning. This posted notice is the FIRST.

As such, when you are present on the property you are an "invited guest." If this does not occur, appropriate action will be taken by our staff for your removal. There will be progressive penalties for cumulative and/or serious offenses up to and including a total ban from future participation in our programs.
