

Scott Billington Memorial Award

The Scott Billington Memorial Award honors Scott's leadership and invaluable contributions made to the community, and, in particular, to the SBSC.

Scott joined the Solana Beach Soccer Club's Board in 2007 as Micro Division Coordinator and was President from 2009 through 2013. After a long battle with cancer, Scott passed away on January 10, 2015.

Scott graduated from the U.S. Naval Academy, served in Operation Desert Shield and Desert Storm, earned a Commander rank in the Naval Air Reserves, was a Captain for Delta Airlines, and was a respected real estate agent in North County.

Scott was a tireless supporter of the community. In addition to leading the SBSC for many years, he also volunteered for the Solana Beach Schools Foundation, including several years as event chair of the annual Beach Ball. His genuine interest in others made everyone feel special when around him. It was expected, then, that when in need of advice or just a kind word of support, many turned to Scott. Local children knew him for having the loudest whistle on the ball field and for having the kindest heart around. All of this earned him the title as the unofficial "Mayor" of Solana Beach.

The recipient(s) are honored for their leadership and selfless enthusiasm and whose contributions to the SBSC honor Scott's spirit.

The award will be presented at the SBSC Annual General Meeting, which is typically held in late February or early March (please refer to the SBSC website for the date and time).
