

# Whitby Iroquois Soccer Club - Request form

## Outdoor Season 2020 - Recreational players

The pandemic has placed our Club in a very precarious position. Our Outdoor season registrations and rental revenues are down over \$500,000 from last year and if the Outdoor season does not occur the Club will lose revenues in excess of \$1 million. In addition, certain costs have been committed to and in many cases paid for the 2020 Outdoor season. That being said, we recognize that these unprecedented times impact each individual / family differently. As such, we will not be charging an administrative fee (\$35) but would be extremely thankful to those who are able to help support the Club in the form of a small gift through this challenging time. We are providing various choices to registered players for the Outdoor Recreational 2020 season:

**Option 1 - Credit towards next registration (with gift options to help support the Club). This would be a discount code to be applied towards future registration. Please note, online processing fees are non-refundable.**

**Option 2 - Request a refund (with gift options to help support the Club). If your original payment was made online, the refund amount will be credited to your original payment method. Please note, online processing fees are non-refundable.**

**Option 3 - No credit or refund - essentially a gift to help the Club through this difficult time (we cannot issue donation receipts as we are not a registered charity).**

As a not for profit, volunteer based organization, we appreciate your support through this difficult time and look forward to welcoming you back when it is safe to do so. To continue to operate as we have in the past, we are counting on the Town of Whitby, suppliers, members and other stakeholders to help us through this crisis. Thank you, Whitby FC Board of Directors
