

Welcome to COYBL Travel Baseball League.

Thank you for the interest in our league.

COYBL was established in 1999 and continues to take steps to enhance the experience for the players and teams.

- To use some of the pages on this web site, you will need to create a COYBL account. It is free. Just go to Create an Account near the upper left hand side of the home page, where it says Login and next to that is create an account.

COYBL does not sign up players. We only register teams.

We offer ages 7U to 16U in single age groups.

Our rules can be found at <https://www.coybl.org/page/show/731849-2018-league-info-and-rules>

There is a tab on the home page to take you there as well.

We sanction our teams with Nations Baseball and USSSA Baseball for tournament play.

We offer different registration packages that includes team insurance if you do not have it.

Those options are:

1. Option 1 includes registration and team insurance with Nations Baseball and basic registration with USSSA Baseball.
2. Option 2 includes registration only with Nations Baseball and basic registration with USSSA Baseball. You will need to provide proof of insurance to COYBL and Nations Baseball and upload a PDF to Nations baseball web site.
3. Option 3 is for team insurance only
4. Option 4 saves you \$25 by not registering with USSSA
5. Option 5 is for League play and Nations registration only. Does not include insurance or USSSA sanction.

You may pay online on this session (there is a processing fee added) or you can pay offline by check or money order. Just select Offline Pay at the drop down menu on the checkout cart.
