

Crucifixion Parish

Confirmation Candidate - Service Activities

God created us to know, love and serve Him in this life in order to be united forever with Him in Heaven. We come to know the Father, the Son and the Holy Spirit through the teachings of the Church and through a daily habit of prayer. We show our love for God through living the Faith and serving Him by serving our neighbor, especially those in need. This service of others is to include service in the community and in the parish and must be uncompensated.

A minimum of three service activities are required – more are encouraged 😊 - at least two must be service to the parish/Church (Lector during Mass, cantor/play a musical instrument during Mass/become a catechist assistant for elementary grades/help with parish events.)
