Covid-19 Screening form for Visiting Teams

Visiting Association: _____ Division: _____

Team Contact Name: _____ Position with Team: _____

Contact # and email: _____ Date: _____

For all visiting Associations attending a game in Richmond, all players, coaches and team officials must Covid screen using the City of Richmond screening questions and Ravens Covid Screening document and provide to the Richmond Ravens team manager upon arrival and prior to entering Arena that all players are cleared to play. If anyone on the visiting team answers YES to any of the Covid questions they will not be allowed into the Arena and should stay home. If either team has a positive Covid test within 14 days of playing a game and being in the Arena they must inform the other team immediately or if informed by the health authority to notify the team for any other reason.

Number allowed in Rink for Games: 50 including the following;

- 19 players per team maximum
- 4 to 6 coaches – 2 or 3 per team depending on number of players
- 3 refs
- 2 managers – 1 per team
- 2 safety people – 1 per team
- 1 scorekeeper/timekeeper (this can be two people from home team if number in rink is under 50)
- 1 Covid Screening Coordinator from home team if under 50 in rink

No spectators are allowed at any time even if number is under 50.
