## AWARENESS & PRECAUTIONS

---

### CLEANING AND DISINFECTING PRACTICES AND SCHEDULES

Bathrooms, mezzanines, hallways and doorways are disinfected every hour. Public sanitizing stations have been increased and are placed in clearly marked, strategic locations.

### ONLINE PAYMENT OPTIONS

Online payments are suggested and available for all registrations, tournaments and clothing orders.

### BUILDING ENTRANCE AND EXIT ROUTES

At this time, players should plan to enter and exit through the main entrance. Please maintain social distancing and the timing differentials should allow for minimal confrontations.

### ARRIVAL AND EXIT TIMING

Due to Covid-19, practice and game times have been adjusted to allow for ample time between games/practices for players to exit the facility before next group arrives.

### LOCKER ROOM AVAILABILITY

Locker rooms will be available for players and will be disinfected between uses. When possible, locker rooms will be designated for single teams on a long-term basis.

### SOCIAL DISTANCING MEASURES

As per the Willmar Civic Center guidelines, all social distance measures are in place. Please maintain six foot distancing between others at all times. On ice, players will also abide by these guidelines; coaches have been asked to avoid having players stand in lines and be close to other players during practice and in locker rooms.

### USE OF FACE COVERINGS/MASKS IN ARENA

Face masks are required for EVERYONE inside the civic center except for players. Coaches are required to wear masks during games as well as while on the ice during practices.

### HEALTH SCREENING PRIOR TO ENTRY

Parents are required to check players' temperatures prior to coming to the rink. "When in doubt, keep them out!"

### ATTENDANCE LOG FOR CONTACT TRACING

There will be a Google Sheet shared with all coaches and volunteers so we can track who is in attendance for both practices and games.
