

### 01 April 2020—Spring Season Status Update

Dear KYSA Families,

I hope that you are all doing well--and that you are staying healthy and safe during this difficult time.

**Due to the extension of Federal guidelines for social distancing through 30 April in response to the COVID-19 pandemic, all soccer activity for KYSA (including pre-season meetings) will be delayed until at least 04 May, at the earliest.**

KYSA has been in ongoing discussions with the other clubs of The Northeast Freedom Youth Soccer League (NEFYSL) to determine our next steps moving forward, and to determine whether or not we will be able to save the spring season for the kids in light of the complexity and seriousness of this global public health issue.

As of now, the earliest date for the start of practices would be the week of 11 May, and the earliest start of games would be 16/17 May. Parents & Guardians would not hear from coaches until the week of 04 May.

KYSA and all of the clubs in NEFSYL will continue to monitor this developing situation, and we will post additional updates as soon as we have them. We plan to have a status update (even if it is just a reassertion of the tentative timeline we've now put in place) by the week of 15 April.

In the meantime, please do not hesitate to contact me or any member of the KYSA Board if you have any questions or concerns.

Thanks, everyone. Take care--and stay safe.

Best,

Tom

Tom Hamill
