

2020 Pacer Football Fundraiser

Paul Huebner Sat, Sep 5

Pacer Football F.A.M.I.L.Y.,

While our Pacer Patrons booster club does an amazing job of supporting all athletics at Shoreland, each program also performs one fundraiser per year to help offset the costs of equipment and other items that allow us to offer our student-athletes an elite experience.

Our football program has used Snap! Raise the last few years and it has been a phenomenal program for us, grossing over \$10,000 each of the last two seasons. It's a very simple fundraiser in that all we have to do is supply 20+ good email addresses. It's incredible how generous people are when you ask them to donate to a great cause.

For specific instructions, please read the information included in the [Snap! Raise Fundraiser Parent Letter](#). Your sons should have received an email from with a link to join the fundraiser and instructions on how to create/update their profile and also load their email addresses. Our fundraiser officially kicks off on Monday, September 7th so the sooner we get all the emails entered, the better. I will give the guys more details at practice on Monday night but wanted to give you all the chance to start coming up with email lists now.

Thanks for your support and if you have any questions, please contact me!
