

July 26th, 2024

Subject: Registration for 2024-2025 Season is NOW OPEN!

The 2024-2025 season is quickly approaching and Registration is now Open!

Registration will remain open until September 9th, 2024 for Sr. Mite/U8, Squirts/U10, Peewees/U12, and Bantams/U15. Registration will remain open after September 3rd for Mites/U6 until their season begins.

NOTE: As of 8/1/24, players will be **required** to wear a neck guard anytime they are on the ice. Please plan accordingly to have this available as players will not be allowed on the ice without one.

Starting this year, each player and a same sex Volunteer (for Squirt/U10 levels and up) must register first with USA Hockey and then return to the Registration Session to sign up for the 2024 - 2025 Season. The player will be registered as an "Ice Player" and the same sex parent/guardian will register as a "Volunteer". The Volunteer will help fulfill the locker room duties at the Squirt/U10, PeeWee/U12 and Bantam/U15 levels. Both player and volunteer USA hockey numbers will be required on the registration. Be sure to PRINT and SAVE their confirmation code(s). Remember to register EACH of your players with USA Hockey. Each player and volunteer must have their own unique USA Hockey confirmation number.

To see all of the registration information including: equipment rental, tryouts, fundraising, DIBS, and jerseys please visit our [registration page](#).

New this year: NHA will be hosting mandatory informational meetings for each level in October. This will be your opportunity to drop off your DIBs check, learn about the 2024-2025 fundraising initiatives, review NHA parent and player expectations, and ask any questions you may have about the upcoming season. More information to come once registration is closed.
