

# 2020 Legacy Lightning Youth Football Camp

All Tackle Players, current and first year players (1st grade through going into 8th grade) are invited to participate in the Lightning Youth Full Contact Football Camp.

Head Coach Corey Heinz will be teaching basic football fundamentals and skills. Heinz brings a great deal of knowledge and excitement to the Legacy football program and his collegiate experience will be invaluable to the camp participants. Heinz played at the University of Tulsa and then coached for three seasons with the Golden Hurricane before returning to the staff at his prep alma mater.
