

Fall Recreational 2020 COVID-19 Action Plan

Coach Guidance

- Coaches will be required to wear a mask in accordance with CDC guidelines
- Coaches will remind players to have a mask for sidelines and breaks
- Player's belongings should be spaced 6ft apart at practice and games when possible
- Pinnies should not be used for practices, instead coaches should ask their players to bring an alternative colored shirt
- Players are not to touch coach's equipment
- Coaches of U6-U8 teams are strongly encouraged to use the diRECT sessions as their practice session

Player and Family Expectations

- Parents should monitor a players' health and any indication of illness should result in the child not attending a game or practice session
- Parents will need to sign COVID-19 waiver for their player
- Players will have a mask at practice for breaks and when social distancing is not possible, but are **NOT** required to wear them while playing
- Players should bring an alternate color shirt to practice in lieu of pinnies
- Players should bring hand sanitizer
- Players will maintain social distancing at all times when not on the field of play
- Spitting will not be permitted, players who do so will be removed from the game

Spectator Guidance

- There should be only 1 spectator per child per game

- Spectators will maintain 6 ft between parties and from the touch lines on the field
- Spectators will be required to wear masks per CDC guidelines

Games

- Fields will have more space between them than would be normal in more typical years
- Games will have a 30 minutes buffer to allow for exiting and entering with as little congestion as possible
- Pinnies will still be used for games, as per our existing protocols these are provided weekly 1 per player per game weekend and are washed between weeks.
- Benches will be removed for this year to encourage social distancing on the sidelines, players will be asked to provide their own seat on the sidelines
- Coach of home team will pick up and return the pinnies to ensure there's no cross between pinnie wearing
- Game ball will be sanitized between games
