 - All hockey bag orders have been delivered.
 - From our order in June 2021 for helmets and gloves, all helmets were received and shipped the week before Christmas. As for the gloves, they were received by Lettermen's this past week and will be shipping out this coming week. Therefore, all the helmets and gloves will be complete this week.
 - I have all the coaches jackets we ordered, except for two (2) 2XL lightweight jackets. Lettermen's is hoping they will be in the next few weeks. We will give it to the end of January and then maybe offer them something different if they don't come in. We will address these two items next time if not received.
 - Lettermen's took inventory the last couple weeks to see what they will have available. So, sometime this week we will open a 4th apparel ordering wave. It will not be as extensive as the first waves since some of the items are not available or on long backorder, like jackets. I told them we want it to be open for two weeks, so the end of January. As soon as she sends me the link I will forward it to Tony.
