March 20-21-22

Maximum number of players in tournament – 104 plus 8 goalies

Non-profit status

Awaiting signature from Larry Tween on the conversion to non-profit. By March 1, we will proceed whether we have his signature or not. The goal is to have non-profit status in place prior to next season.

New League Business

1. Compared our league fees with other areas around the country. Our fees rank among the lowest at only \$14.58/game. San Jose, Los Angeles, and New York exceed \$30/game, but most venues are in the \$18-\$25 range.
2. Develop procedures and timelines for filling vacant board positions.

3. Consider changes for next season in order to boost enrollment/participation:
 - Separate registration for each division and private user groups
 - Shorten season to 20 games – no games during Thanksgiving, Christmas, New Year's and Super Bowl
 - Establish a referee board
 - Establish/Maintain subcommittees
 - Add another skill level of league above elite
 - Bring your own team and or draft format
 - Offer a short September-October pre-season league?
 - Establish letter grade rating (A, B, C, D) instead of our numeric 1-10
 - Encourage players to play in multiple leagues
