Pin Design & More!!

For those who are feeling creative, don't forget that the deadline for the NLC trading pins submission is December 1st, 2024. If you have a design in mind, or any question at all, now is the time to reach out to your advisor to find out how to submit your ideas to be part of this year's trading pin excitement.

And a big shout-out to our newly elected chapter officers, we're so excited to see what you'll accomplish this year. Don't forget, there is a Chapter President meeting on October 29th at 6:30pm so mark your calendars! This meeting will be a great chance to collaborate with other chapter leaders and make sure your chapter is set up for success this season.

Finally, we want to hear from YOU, yes YOU! Write your own story, if your chapter has done something amazing or if you've got a success story you'd like to share, send us a DM on instagram or email one of the state officers. We'd love to feature your chapter's achievements in an upcoming post and spread the world about all the amazing things happening across Minnesota BPA.

Let's make the next month one to remember, and as always, if you have any questions, your state officer team is here to help. And some last words, stay focused, stay motivated, and together, we'll make this year the best one yet!

WARM REGARDS, YOUR MN STATE OFFICER TEAM
