

2026 Spring Registration for ALL levels is NOW OPEN!!

Also open is our Coaches Application/Background check. We hope you all are as excited as we are for the 2026 Season to get underway!! There are a lot of details below. **Please read everything below very carefully.** If you are new to Spartan Youth Baseball, you can also click here for more information <https://www.spartanyouthbaseball.org/new-to-baseball>

LEVELS PROVIDED BY SPARTAN YOUTH BASEBALL IN 2026

K-Ball (Pre-Kinder & Kinder)

Rookies (1st & 2nd Grade)

JBO Levels: COMPETITIVE

Minors (3rd & 4th Grade)

Juniors (5th & 6th Grade)

Seniors (7th & 8th Grade)

Players may play up one level with SYB Board approval. Example: 6th grader wanting to play Seniors. The player must only be ONE season away from the next level to play up. Example: SYB **WILL NOT allow a 3rd grader to play at the Juniors(5th/6th) level. **Please register your player for the level they “should” be playing, at the time of registering.** A player wanting to play up a level must attend both Tryout times and be evaluated for both levels if the SYB Board approves. SYB Board will talk to the Tryout Evaluators to ensure it will be safe for the player to play up after reviewing the Tryout information. If a player is selected to play up, SYB will work with the family on retaining the registration cost difference. There may also be situations where the SYB Board will need players to play up to balance out the Rosters. SYB would get the families permission and again, talk to the Tryout Evaluators before those moves are made. The cost difference would be waived in this situation to the family since SYB is requesting the move up. **Players are NOT allowed to play down a level per JBO Rules.** Example: 7th grader cannot play Juniors.*

2-Spartan Youth Baseball will be supplying Hats for every player. Minors, Juniors, and Seniors will be receiving hats either at Tryouts or the first week of Practices. K-Ball & Rookies will receive their Hats the first week of Practices as well. One hat per player. After all players receive their hats, they will be available for purchase during the season at the Groner Fields Concession Stand and Hare Field's Concession Stand.

3-Parents/Players are responsible to order the Players Jersey's for all levels from the website. All Minors, Juniors and Seniors will be required to have **solid white pants and blue belts**. The pants and belts and socks will be available to purchase on the same link Jerseys are purchased at a discounted price and it's called **"Accessories Pack"**. Or you can purchase them from a store if desired, as long as they are the required colors. **K-Ball & Rookies are not required to purchase the "Accessories Pack"**. We leave it up to the players, parents, and coaches at this level on what color pants the players wear. The reason why we have families order the Uniforms is to ensure the names and sizes are correct. This takes that responsibility to have missed spelled names, incorrect numbers, and incorrect sizes away from the Program. Spartan Youth Baseball takes the average cost of the Jersey's off the Registration cost. Example: Seniors would cost \$400.00 per player if SYB handled Jersey's.

Spartan Youth Baseball will have no more than 13 players per Roster at the Minor and Junior National Level and no more than 13 players per Roster at the Minor and Junior American/Federal levels. The Senior National Level will have no more than 13 Players per Roster and no more than 12 players per Roster at the Senior American/Federal Levels. Example: Minors Registration closes with 29 players registered which would be enough for 13 Minor National Players and 13 Minor American/Federal Players with 3 extra players. Waiver Players (players playing out of HILHI District) would be asked to play for the Association they should be playing for first. After the Waiver Players are informed or if no Waiver Players are registered at the Minor Level, it will be based on the evaluation scores. **Spartan Youth Baseball will also start a waitlist at any level if we feel it is necessary.** Spartan Youth Baseball would try and help the 3 players either being a Waiver Player(s) or the Players with the lowest scores, a place to play locally if the families would like. The 3 families would also get a FULL refund from Spartan Youth Baseball for the Registration cost and Uniform cost. Receipts for the Uniform cost will be required before refund is given for the Uniform. Tryout Evaluators will also evaluate the safety of the Players. If for any reason the Tryout Evaluators feel a player would be in danger of getting seriously hurt by playing Baseball due to various reasons, they will inform the SYB Board and a full refund of the Registration and Uniform costs will be given to the family. SYB is willing to help the family find a sport more suitable and safer for the Player. **Please note that SYB takes all these decisions very seriously as we are looking out for the safety of your Players and the competitiveness of our Teams.** Rosters will be made after Day 2 of Tryouts based on the scores we receive from the evaluators (High School Coaching Staff). **If we have multiple registered players that do not attend tryouts, we will consider a make-up date. As of right now, there will NOT be a make-up date. Please do everything you can to get your player(s) to Tryouts on Saturday 2/21/26 and be available on Sunday 2/22/26 between 12:00pm to 1:00pm in case your Player is selected for a "Call Back".** We will communicate only to those who miss tryouts what the plan will be if there will be a make-up day.*

We will select Head Coaches for the JBO Teams (Minors, Juniors & Seniors) after Tryouts when the Teams are formed. K-Ball and Rookie Coaches will be contacted after Registration Closes on 3/13/26. If you are also interested in becoming an Assistant Coach, you will still need to fill out the Application/Background Check. If there are NO Coaches Registered for a Team, those families will be emailed asking for someone to Volunteer to be the Head Coach. **A team at any level, from K-Ball to Seniors without a Head Coach unfortunately won't be able to play.
