Hello Friends and Families of the Saints Hockey Program:

The San Diego Saints Hockey Program is a non-profit organization working to inspire the underprivileged youth of San Diego to excel in academics, life, the sport of ice hockey, and community service. Our program operates out of three different facilities in San Diego; The Salvation Army – Ray and Joan Kroc Corps Community Center, UTC IceTown La Jolla Ice Arena, and IceTown Carlsbad. The Saints Hockey Program works diligently to provide positive relationships and role models for the youth and adolescents within the program. By doing such, it is the goal of the Saints Hockey Program to help develop an environment for its young participants to feel safe and supported within. The Saints Hockey environment has proven to be an optimal growth place for our youth and adolescents to flourish within the classroom, on the ice, and in our local community. Presently, we have numerous past participants that have entered college, attained hockey scholarships, and are now volunteering as coaches on a full-time basis.

In order for the Saints Hockey Program to continue improving the overall organization, its success is dependent upon the support of outside organizations and individuals. The Saints Hockey Program is able to attain financial support from outside supporters through the various fundraisers conducted throughout each season. For 14 years, our largest and most successful fundraising event has been the Saints Annual Hat-Trick Classic Golf Tournament.

This year the Saints Annual Hat-Trick Classic Golf Tournament will be celebrating our 15<sup>th</sup> Annual Event at the prestigious **The Rancho Bernardo Inn and Resort**. The event will take place on **Friday November 19th, 2021**. The event will begin with a **Shot-Gun start at 11:00 AM**. The Saints Hockey Program commits a tremendous amount of time and effort to each of their fundraising events – the pinnacle is our golf event.

We hope that you will join us with your friends, family, and /or co-workers for a fun day that will work to help numerous youth and adolescents within our hockey community enjoy playing the **“Coolest Game on Earth”**.

Thank you for your consideration,

Sincerely,

Jason Galea Ph.D.
