

COVID-19

IMPORTANT INFORMATION

The health and safety of our participants and volunteers is important to us as we navigate through the COVID-19 situation.

As per a release from Ontario Soccer (see link below) and our discussion with SWRSA, ALL soccer activity is suspended until further notice. This includes games, practices and team events, effective immediately.

This suspension of activity is to protect the health of Fergus Elora District Soccer Club families. We will continue to monitor the COVID-19 situation and await further instruction from SWRSA and Ontario Soccer.

Our summer registration is still open as we look forward to a fun season of soccer. As mentioned, we will remain in close contact with SWRSA and Ontario Soccer and update you with changes as they happen.

Don't hesitate to contact us with any questions. Our emails can be found within the "About Us" tab on our website.
