Unfinished Business

WAHA Grass Roots Grant Program

Close out issue, Michael Nevins will submit the grant request on behalf of WCYHA. Due by the end of the year, so it will be submitted.

Team Representative Position & Duties

The position requires that a representative attends the board meeting and take notes to share with the team. Copy your level director. May need to update our P&P to reflect the number of meetings to attend.

WCYHA Marketing Update

Yard signs to start marketing, along with brochures to help promote. Question regarding to market at the schools. Also need to use more media options for hockey.

Waukesha Holiday Parade

We registered for the parade – we have 20+ skaters that will walk / skating in the parade.

WCYHA Coaches Game

We can verify and send out communication to coaches.

Referee Coordinator Position

We are in need of someone for this coordinator position.

Mites – Practices

An issue that too many kids on the ice during the practice. We discussed with USA Hockey and the ADM recommend that no more than 40-60 kids at one time on the ice for practices. Work to see if there is ice is available and then determine the cost impact for families. Jeff Glaspy to come up with a plan to determine the best route on resolving the issues.

New Business

Try Hockey for Free Update

24 skaters attended the session with great turnout. Positive interaction. An example is that other Associations had High School kids participate.

Review 2015-16 WCYHA Calendar for Updates

Board will update as needed.

Student Coaching Update

We have an estimated 10 student coaches working with our teams. We do have one student coach that is turning 18, which will mean they will be listed as a coach on the team because they have to take all the same steps as coaches since they are an adult.

Coaching Evaluations

Distribution in December- Positive comments and feedback should be constructive. Please make sure that families participate and provide feedback.

WCYHA Skater Scholarships

Scholarships were due November 6th. We have 30 skaters that submitted and the winners will be notified.

December Board Meeting

We will not have a December Board Meeting.

President Update

Reminder to all of the teams to display good sportsmanship and follow our code of conduct.

One an Association is not following the WAHA rules – Under the rules if you have 4 teams you need to have A, B, and two equal C teams.

A local hospital chain is looking to do some sponsorship and we are looking for a sponsorship coordinator.

Planet Hockey out of Denver is hoping to come back to Nag for summer camps. We could offer discounts if we get a number of skaters to sign up.

VP On Ice Update

Happy Veterans Day and Thank you to all of our Veterans past and present.

VP Off Ice Update

Let your Manager know that until the rosters are finalized any teams that go to a tournament the parent will need to have the birth certificate for those skaters that still need to be verified. There is a delay because USA Hockey / WAHA need to finalize rosters

Bantam Update

No Update

Pee Wee Update

The Pee Wee level is doing well based on feedback from families. Question – if a skater is missing, can another skater who is at the same level, fill in? No – only rostered skaters

There is a rumor that coaches do not have to pay ice fees – this is inaccurate. Coaches do not get discounts off their ice fees – nor does the board, or anyone. This is a volunteer organization.

Squirt Update

All is going well. Asking the team representatives and coaches to look at the ice for sale on the website. If the teams are looking for extra ice for practices.

Mite / Mini-Mite Update

The skaters are doing well and the coaches are really participating. We are continuing to build the program.
