

2017 Pacer Boys Golf Information

Welcome to the 2017 golf season. Here are a few things to know.

What you need to get done before March 27 - the first day of practice:

1. Physicals and online registrations need to be completed BEFORE you will be allowed to participate in practice or meets. Athletic physicals can be done at your doctor's office, Kenosha Urgicare, a CVS walk-in clinic or any other such clinic. Tell them you need a sports participation physical. Forms are in the athletic office or online at www.slpacers.org. This is also where you must be registered online for athletics. The link is at the top of the webpage.
2. Purchase a Junior Seas Pass for Kenosha County Golf Courses. The cost is \$95. These passes are available at our home course, Brighton Dale Links in Kansasville, and at Petrifying Springs [PETS] in Kenosha, when they open. These passes are good for the entire 2017 golf season. After our school season ends in late May, and on weekends during our golf season, there is a \$5 green fee to play.

Start of the season - Monday, March 27th

This year we will be practicing 5 days a week, weather permitting. We tried 4 days last year and agreed that we need 5 days to practice all the skills needed to compete.

Transportation for those who do not drive themselves will be provided from the school to Brighton Dale and back to school when finished. We will try to have the kids back to Shoreland around 5:45 - 6:00 PM.

Spring golf season can be cold and wet, so dress for the weather and pack some extra layers if needed. I have found that a base layer of Under Armour Cold Gear or any like brand is a big help in keeping warm. An inexpensive pair of waterproof golf shoes will also help.

If there are any first-time golfers this year, I recommend purchasing a "Beginners" set of clubs. These usually consist of a driver, fairway, wood, 3, 5, 7, 9 iron, putter, and a golf bag.

Varsity and JV schedules will be handed out after the season starts in case any changes get made in the next few weeks.

Each player will be required to buy a team golf shirt to be worn at meets. We will try to get the same ones from last year, if they are still available, so returning players won't need to purchase another one. We will get new golfer's sizes after the first practice and order these right away. Price should be in the \$40 range.
