### Important Notes:

1. Each club is responsible for providing a minimum of two workers at the scheduled session.
2. Do not send any workers that wish to evaluate during the skate session.
3. The following equipment is required for **BOTH** benches:

First Aid Kit

Pucks

NO WATER BOTTLES. Players must bring their own.

Please coordinate these items in advance with other scheduled clubs

4. Draft Chair will take attendance, secure missing registration signatures, answer questions, find replacement jerseys, and resolve issues as they occur
5. Please have workers report to the Draft Chair/Rink Supervisor 10 minutes prior to the first skate session.
6. Two workers supervise the two benches during the skates.
7. One worker is assigned to facilitate on-ice drills and monitor scrimmage. Skates, helmet, gloves, stick, & whistle are needed.
8. One worker is responsible for patrolling the dressing rooms, clean-up, gopher, etc.
9. Bench workers need to monitor each goalie's ice time. Each goalie is on at least twice per session, once at each end. Divide time equally among all goalies
10. Evaluation Skate sessions start with warm-up, skating and drills followed by scrimmage. Instructions are provided.
