- Trivia yard work....when? Can JV do this coming Saturday or Sunday (May 14 or 15) since the JV tourney is the following weekend? If so, what time and who communicates this to the JV team to ensure there are enough (at least 10 players) to do the work? When can Varsity do theirs? They will have two yards to redeem....certainly JV players could help with this as well.
 - No for Varsity this weekend (need to do 3 total)
 - Will need to do after season
 - Banner update.....well, it wasn't finished. Lots of details that we (or me) were not aware of. It was suggested (thanks, Jacki) that we could spotlight each of our sponsors this summer with a facebook post that could be shared? Or, we prepare a banner to be hung at next year's season in recognition of our sponsors (but just don't put a year on it?) I don't know but am open to suggestions.
 - Social media sounds like best option
 - Do we want to continue with the Share Nights? Maybe only do a few of them for next year? Only do them during our season? What does everyone think?
 - Maybe less, selective options (i.e., Hola, Camilla's) and do following a game (i.e., 5th quarter)
 - Would we want to consider offering yard signs next year for families as a fundraiser for lax?
 - Yes- Carie to investigate this for beginning of next season

- Coach Eder hired as counselor at Wildwood Middle School. As a Club, can we do something?

 - Mark, the bus driver, is planning to come to game on Wednesday 5/11. He has reached out to get schedule and update on boys. Consider inviting him to banquet? Board agreed
