Upon receiving a forward pass, any offensive player who exceeds weight restriction may run (advance) the ball.

3.4 Punters/Kickers: A player of any weight can be used; however, a kicker exceeding the weight limit rule outlined in Rule 3.2 may not advance the ball by run or pass.

4.2 Each member association will create teams from his or her association by draft or similar means. Each association must form talent-balanced teams to the best of their ability. Subsequent players added after the distribution of players must also be added in a talent-balanced manner. The goal for each association is to construct teams in each age group that are equal in talent and/or ability.

4.3 After rosters are final, the exchange of players between teams is prohibited except in very unusual circumstances and with the advanced approval of the SSYFL Governing Committee.

4.4 Member associations may roster any player who resides within the geographical boundaries of their association's high school.

Players who reside outside of the geographical boundaries of the association's High School must:

1. Attend a public or private school within the geographical boundaries of the association's High School; or,
2. Have played football for the association's youth program for two (2) consecutive years preceding their 7th grade season.

The High School attendance boundaries will be used for purposes of ruling on disputes between associations and determining a player's eligibility to participate with a SSYFL member association team.

4.5 Each association is responsible for providing coaches for each team. Only association sanctioned coaches are allowed on the sidelines during a game. Only the head coach may talk to the referees.

5.0 Game Rules:

5.1 Minnesota State High School League ("MSHSL") rules will be followed except as noted below. The MSHSL rules apply to players, coaches, parents, and referees. Go to www.mshsl.org for information. League rules do not permit videotaping of opponents for the purposes of scouting.

- 5.2 **Playing Time Rules:** The SSYFL encourages teams to play all players on their rosters as much as possible. From a league standpoint, each player on the roster must play a minimum of eight (8) plays in a game (offense, defense, and/or special teams). Each member association may also set their own minimum playing time rules in excess of the league minimum. At the 6th grade all players will be assigned a starting position prior to the start of each half of game play. If a player does not start at an offensive/defensive position during a half, then that player MUST start on defense/offense when the teams switch possession. At 6th grade from a league standpoint, each player on the roster must play a minimum of twelve (12) plays in a game (offense, defense, and/or special teams).
- 5.3 **Game Time:** Four quarters of fifteen (15) minute running time (during running time, the clock does not stop except for time-outs, injuries, penalties, touchdowns and change of possessions). Stop time applies during the last two (2) minutes of each half. During the last two minutes of each half the clock will stop for time outs, injuries, penalties, touchdowns, incomplete passes, first downs, change of possession and out of bounds. However, if a team is leading by 28 points with 4:00 minutes left in the fourth quarter, there is no stoppage of time (except for injuries and penalties). Each team will get two timeouts per half.
- 5.4 **Regular HS timing rules** would take effect in the last 4 minutes of the 4th quarter when the score differential is less than 9 points
- 5.5 **6th and 7th Grade Defensive Alignment:** Linebackers, cornerbacks, and safeties must line up at least three (3) yards off the line of scrimmage and may not move forward until the ball is snapped. 6th grade linebackers cannot be stacked.
- 5.6 **8th Grade Defensive Alignment:** Follow MSHSL rules.
- 5.7 **6th and 7th Grade Defensive Linemen:** A maximum of six (6) defensive linemen are allowed. This rule does not apply if the ball is inside the defensive team's ten (10) yard line; however, linebackers, corners and safeties may not move forward until the ball is snapped.
- 5.8 **6th Grade Punting.** Any 6th grade player may punt in a game. On any down, the offense can call a "punt". Teams do not rush the punter. The offensive team must announce that they are going to punt (no fakes allowed). The offensive or defensive team cannot rush the punter or leave the line of scrimmage until the ball is punted. The punter may take the ball from the center in any manner. Even if the ball is dropped, the punter may pick it up and punt the ball. The Punter must punt the ball between the tackles positions. Punt coverage cannot take place until the ball is kicked. Receiving team must not be more than 5 yards from line of scrimmage when ball is kicked other than up to two return players. Once the ball is kicked, normal MSHSL rules apply.
- 5.9 **Extra Points and scoring:** Following a touchdown, the coach will have the choice to go for 1 point or 2 points. (The coach will tell the referee his choice.) 1 point conversions will be from the 3 yard line. 2 point conversions will be from the 8 yard line. Once the choice is declared and a play is run or a penalty occurs prior to the play, the choice cannot be changed. For any game field with goal posts, kicking the extra point is permitted, and a successful try is 1 point. Field goal's may also be attempted on any game field with goal-posts.

- 5.10 Overtime: In case of a tie at the end of regulation, each team will have four (4) plays to score from the 10-yard line. Same extra point rule (5.7) will apply. If the score remain in a tie, a second overtime round will be played, using the same rules. There is a maximum of two overtimes during the regular season. If the score remains a tie, it will be a tie. In the playoffs, teams will continue to play until there is a winner.
- 5.11 Game Balls: Intermediate sized footballs must be approved by the SSYFL (Any brand of ball is excepted)
- 5.12 Personal Fouls: The officials may eject any player or coach who receives an unsportsmanlike penalty from the game with no warning. A player or coach who receives two unsportsmanlike penalties in one game is automatically ejected. Any player or coach who is ejected from a game is suspended for the next game. The ejected team member's coach must inform his or her Program Director of the ejection within 24 hours of the ejection. The Program Director will notify the SSYFL Commissioner with 48 hours. The Commissioner will notify the SSYFL Governing Committee of the incident and final ruling. The SSYFL Governing Committee may remove a player or coach for chronic misconduct or egregious behavior during league activities from an official team roster, rendering the player or coach ineligible to participate in the league.
- 5.13 Game Cancellations: The Program Director of the association where a game is scheduled to be played will determine whether a game should be cancelled because of weather or field conditions before the start of the game. Each member association is responsible for the condition of the fields and field equipment needed for the games. The officials have the authority to cancel a game or delay a game that is in progress.
- 5.14 Re-scheduling of Games: Once the league game schedule is set, games will not be rescheduled except in the case of inclement weather or a school-sanctioned event that brings the team's available players below the league minimum defined in Rule 4.1. If either of these exceptions occurs, it is up to the two coaches to work with each other and the SSYFL Commissioner to find a date and location that works for the two teams. SSYFL will notify the referees of the change. Failure to reschedule a game will result in a loss for both teams. (If a game is cancelled due to weather within 4 days of the start of playoffs, the game will be eliminated (no win or loss) unless a viable option to reschedule is found.)
- 5.15 Game Score Reporting: **ALL HEAD COACHES** (winners **AND** losers) must report scores via e-mail to mail@ssyfl.net **within 24 hours** of game completion. Please include the following information:
1. Subject line: Grade, both team names & date
