

Mustang Round Up

Required Paperwork and Fees for High School Athletics

REQUIRED PAPERWORK

- 1) Online participation forms: <https://katyisd.rankonesport.com/>

All required participation forms will be filled out online EXCEPT for the medical history and the actual physical. We DO NOT need hard copies of these forms.

- 2) UIL-approved medical history/physical examination form

To get a copy of this double-sided form, you can download one from Rank One or go to: https://www.uilTEXAS.org/files/athletics/PrePhysFormRvSD9_20_21.pdf. Before printing the form, complete (type in) the medical history page and the top part of the physical page. This will be the ONLY form turned into the athletic trainer (not the head coach).

- 3) A COPY of the athlete's birth certificate OR a scanned PDF copy emailed to the head coach
- 4) A COPY of a recent utility bill OR a scanned PDF copy emailed to the head coach

The address on your utility bill must match the address on your bona fide residence form. We can only accept electricity, water, or gas bills.

PAPF: Previous Athletic Participation Form

If your child **DID NOT** attend one of our direct feeder junior highs in KISD (intra-district transfer) OR your child is on an inter-district transfer from another school district, please reach out to the head coach of the program your child will be participating in. That coach will initiate a PAPF for your child in the UIL Portal.

If your child is on an intra-district transfer (he/she is zoned to a different high school in the district), the head coach will also need a copy of the approval for that transfer from the district.
