

Defensive coaching assistant Jayson Hagerty comes to Horizon from Mountain Ridge High School (Glendale, AZ), where he played defensive back, earning a ranking in the Top 100 Madden Players. In the coaching field, Hagerty served as a defensive coordinator for the 12u and 14u Ridge Army Youth Football organization, and interned with the Arizona Snakes youth football team for four years, helping lead them to a 2022 state championship victory.

Hagerty's deep love of football is shared by his father (a fellow coach); this passion for the game—along with a strong technical knowledge— is what he hopes to share with the Huskies. He'll be attending Arizona State this fall; when he's not busy with his studies and coaching work, he enjoys spending time with friends, playing or watching any and all sports they find.
