4. Choose the information that needs to be edited and click on the pencil icon on the right of the header. Most of the information that needs to be updated is under the Registration Forms section. If you have forms to upload you can do that here. There are several new attestations that need to be checked off as well.

The screenshot shows a mobile application interface for a registration form. At the top, there is a navigation bar with a hamburger menu icon, a 'My Teams' dropdown menu, and a circular profile icon labeled 'KC'. Below the navigation bar, the form is divided into several sections: 'Primary Emergency Contact Relationship to Player' with the value 'Mother'; 'Primary Emergency Contact Phone' with a 'Show Number' link; a list of items including 'Payment Options', 'Registration Forms', and 'HEADS UP Concussion Waiver', each with a pencil icon on the right; 'Athlete Agreement' with a text block: 'I learned about concussion and talked with my parent or coach about what to do if I have a concussion or other serious brain injury'; and 'Athlete Signature' with a 'Show Signature' link. Blue annotations include a thick blue line underlining the 'Registration Forms' section, a blue arrow pointing from the 'Registration Forms' text to the pencil icon, and blue wavy lines underlining the 'Athlete Agreement' and 'Athlete Signature' sections.

5. Make sure you scroll to the bottom of the page and click Save Registration Entry when complete.
