

9/10 Kid-Pitch Fall Ball Rules

- 46/60 diamond
- 75 minute games with a hard stop (our schedule is VERY full)
- In 9/10, there are no walks. A lot of this league is made up of 8 year olds learning to pitch. When a pitcher gets to 4 balls, the coach for the hitting team will come in and pitch to the player. The player resumes the at-bat with the current count. They can strike out, get a hit, or record an out.
- no bat rules
- no pitching requirements / maximums (please remember this is fall ball though)
- stealing allowed, including stealing of home. Note – no stealing allowed when coach is pitching.
- 5 runs/inning maximum
- No dropped 3rd strike
- Infield fly rule will be in effect
- Mercy rule: 15 after 3, 10 after 4.
