Dear Coach Smith,
I've been following your team for a while now, and was really impressed by your team's performance in the championship game last year—congratulations! I wanted to connect with you because I would love to be part of this competitive team.

My name is Jane Doe and I'm a 6'2" forward at Generic High School in Chicago, IL. I was recently honored by being been named the Gatorade Player of the Year. I am currently a starter on my AAU basketball team and am a four-year varsity starter for my high school team. I think that my work ethic and talent would be a great match for your program.

NCSA Sample College Email - Academic Focus

Dear Coach Johnson,
I'm really impressed by your athletes' dedication to both their athletics and academics. I noticed that you not only have a winning record, but you have set the school record for graduating the most athletes! As an aspiring college athlete, I am driven to excel both athletically and academically, and I believe I would be a great fit for your program.

My name is John Smith and I'm a left-handed pitcher with an 85-MPH fastball. My biggest asset is that I'm a team player who focuses both on the field and in the classroom. I'm currently in the top 5% of my class with a 4.0 GPA and a 32 ACT. I'd like to major in prelaw, and I've been researching your school's well-known prelaw program.

You can view my profile for more information about my athletic and academic qualifications, as well as my skills video here: www.myNCSAprofile.org.

I'm planning a trip to visit your campus this September, and I would love to meet you or another member of your coaching staff. Can you please let me know if you have any availability to meet with me? I will also be calling you tomorrow at 5p.m. CT to schedule a meeting!

Thank you,

John Smith
