

Wilmington Travel Basketball Covid-19 Protocol

Due to COVID-19 protocols, only players and coaches are allowed in the practice facility. Players must arrive 10 minutes prior to the start of each practice for check in protocol.

Important Information:

- Check in will begin 10 minutes prior to practice.
- Please remind all athletes to bring their own ball, water bottle (labeled with name) and wear a mask at all times. There are no water fountains at the facility so please bring extra water if needed.
- **ALL PLAYERS MUST BE WEARING A MASK WHEN ENTERING AND EXITING THE FACILITY. PLAYERS MUST ALSO WEAR A MASK THROUGHOUT THE PRACTICE AND WILL ONLY BE ABLE TO REMOVE THEIR MASK WHEN GETTING WATER WHILE SOCIAL DISTANCING.**
- Players will be dismissed as a team at the end of practice. There will be a 10 minute buffer between each practice time frame to keep each team from crossing over when exiting and entering the facility.
- Coaches are required to wear a mask at all times.
- We are required to social distance (6 feet distance) whenever it can be applied during breaks in play.
- Avoid close contact in the form of high fives and handshakes to maintain 6 feet social distance.

Additional Guidelines

Prior to arriving at the facility, athletes need to monitor themselves for symptoms.

Please see screening questions below to go through prior to your arrival at the facility.

Please do not attend any WTB events if you are feeling sick or can answer yes to the following questions:

1. Have you been in close contact with a confirmed case of COVID-19 in the past 14 days?
2. Have you had a fever (temp of 100.4F or higher) or felt feverish in the last 72 hours?
3. Are you experiencing any respiratory symptoms including a runny nose, sore throat, cough, or shortness of breath?
4. Are you experiencing any new muscle aches or chills?
5. Have you experienced any new change in your sense of taste or smell?
6. Have you traveled out of state in the past 14 days.

If the player answered "yes" to any of these questions or has or had a fever, the player will be escorted to an isolation area and their parent/guardian will be contacted to bring the player home immediately.

- Upon arrival at practice, please remain in your vehicle until check in begins (10 minutes prior to practice).
- Both in the parking lot and on the playing surface, please remember to follow social distancing guidelines, staying at least 6 feet away from others at ALL times.
- All athletes must get dressed in their car before practices and to limit personal belongings at the facility.
- Temperature checks will be administered. Parents should not leave the parking lot until their player is cleared.

This partnership between the WTB, Coaches, Parents and Players is extremely important to ensure the safety of all involved. We ask that you respect these protocols and adhere to them.

We are looking forward to another great season!!

Please report any Covid-19 related details to:
