

March 12, 2020 – 2:45 PM

To the Region 2 Community,

Considering the current situation regarding the global pandemic of the COVID-19 disease, and considering the potential risk of spreading this virus, I have decided to cancel the 2020 Men's Region 2 Championship. I understand and sincerely apologize for the inconvenience that this is causing, but I feel this is the only responsible choice. Please know that this decision did not come lightly.

As of right now, JO Nationals has not been cancelled. The JOPC has set procedures that will allow athletes to qualify to the JO/JE Nationals, despite this cancellation, so stay tuned for that document.

Thank you for your understanding and patience at this unique and sensitive time. My heart is broken for all your athletes who have worked so hard this season. Please feel free to contact me with any questions.

With a heavy heart

Jeff Crockett
Men's Region 2 Chair
