

AZ Storm Elite VBC Facility Guidelines Implemented during the 2020-2021 Season

- Coaches and Players required to complete a monitoring form prior to entrance of the AZ Storm Elite VBC Facility and temperatures will be taken. If any symptoms at all, coaches/players are not allowed to enter the facility.
- Coach and Player participation waiver required prior to entrance and before training in the AZ Storm Elite VBC Facility for the 2020-2021 season.
- Players and Coaches ONLY in the facility for Clinics. One parent per player can attend evaluations/open house.
- ALL Coaches and Players are required to wear a mask on entrance and exit of the AZ Storm Elite VBC Facility. All Coaches and Players are encouraged to wear a mask during training but are not required to, it is their CHOICE. All parents/spectators are mandated to wear a mask while attending events within the AZ Storm Elite VBC Facility.
- Masks can be homemade, medical or the real deal..they CANNOT be sheer, lace or fishnet!! Please respect our policies so the kids can play VB!
- All Players required to bring their own water bottle and refrain from sharing water or using the drinking fountains. Every water break, players are required to wash hands or sanitize their hands.
- Parent DROP OFF and PICK UP during clinics and practices. Guidelines are subject to change pending state requirements. We ask that you remain in your vehicle and wait for your daughter to be escorted out to you. Coaches will walk players out to cars at the end of their sessions. If parents want to talk to coaches, we ask that you email/call coaches.
- If parents have to enter the facility at all, masks are MANDATORY! NO EXCEPTIONS!
- Social distancing will be enforced while on the court, in line for hitting and when meeting.
- Failure to follow the Storm guidelines will result in removal from the facility.

Cleaning Process in the AZ Storm VBC Facility:

- Volleyballs and equipment will be cleaned after every volleyball clinic or practice session with cleaning solution and microfiber towel preventing the spread.
- Sport Court and Pads will be sprayed down after each session and at the end of the night with the cleaning solution.
- Bathrooms and door handles will be cleaned and sanitized with the cleaning solution throughout the day but always thoroughly in the evenings.
- Cleaning crew brought in weekly for thorough cleaning and sanitizing of the facility.

** Cleaning Solution is a hydrogen peroxide disinfectant sanitizer**
