

May 6, 2019

Dear Central Division Members and Parents,

We wanted to let the parents and athletes know about a change in our fee structure and registration process for Central Division and its Regions. CR 1, 2, 3, and 4 jointly decided, after a year of discussions, to have our National, Divisional and Regional fees collected at one time through the national registration process at the U.S. Ski and Snowboard website, your MYUSSA account.

This change will affect all athletes from U8 through Seniors, including college.

The request for a “one-stop shop” for all fees and registrations for the Division and the Regions came from parents who wanted to streamline our registration process. This change should alleviate some confusion as to what has been paid and what hasn’t been paid as we enter a new ski season. This change will also make it clear to Regional Administrators who is a registered Region member, thus eliminating their need to verify who is a Region member the week of races.

Moving our Regional registrations and fee payment under U.S. Ski and Snowboard will align regional registration deadlines with U.S. Ski and Snowboard deadlines. U19 and older athletes planning to participate in FIS races (an additional cost not noted in the table below) must be registered and paid by **August 15, 2019** to avoid late fees. All other athletes must be registered and paid by **October 15, 2019** to avoid late fees. If you have questions about whether you should sign up for FIS or, please consult your coaches.

Below is the breakdown of costs. Note that the National fee (Alpine Competitor license fee) is in addition to the CR3 regional membership fee (Central Division fee plus Region fee). While National license fees have increased for the 2019-2020 season, the CR3 Regional Membership fee was reduced.

	Age	National	Central	Region
AC U12 = Alpine Comp U12 & under	0-11	\$75.00	\$25.00	\$50.00
AC U14 = Alpine Competitor U14	12-13	\$100.00	\$50.00	\$100.00
AC U16 = Alpine Competitor U16 & Over	14-100	\$170.00	\$50.00	\$100.00

Thank you,

Central Division
