

Phan Hired as Executive Director

For Immediate Release - Woodbridge, VA
Questions contact - jbroderson@pws.org

PWSI and VDA are excited to announce Quan Phan has accepted the position of Executive Director. Over the past 8 years, Quan has been an important figure within the organizations serving as PWSI Technical Director and as a member of the VDA leadership team. Quan will succeed Mike Cullina as Executive Director of PWSI and VDA and they will be working closely over the next few months to ensure that there is a smooth transition to continue to provide great service to our membership. Quan's vast experience in both soccer and business will allow for a seamless transition into his new role while providing opportunities for the programs to continue to move forward and build for the future of the club.

Quan currently serves as the Technical Director of PWSI and has coached at all levels within PWSI and VDA. He holds a USSF A License, USC Director of Coaching License, and has been ingrained in the soccer community within the region over the past few decades. He has a long history of developing players to play at the highest level of youth soccer and moving onto professional teams and collegiate programs.

"I am honored for the opportunity to continue to move PWSI and VDA forward and build for the future. We have an amazing soccer community in Prince William County, with a unique soccer culture made up of amazing players and families. As a club, we will continue to build upon this foundation to make the experience at PWSI and VDA something that the players and families are proud to be a part of.

Mike Cullina and Matt Lacey are true leaders and trailblazers in the soccer community. I am thankful to have had the opportunity to work with Mike Cullina and look forward to seeing him continue to guide youth soccer as the CEO of US Club Soccer. I am excited to continue to work with Matt Lacey to make VDA a top club in the nation."

Tim Hurley, President of the Board of Directors, said of Phan "Quan Phan has established himself as a leader in the soccer community at large as well as within our organization at PWSI and VDA. Impressive growth through the 8 years that he has been a part of the organization has seen Quan engage at all levels with a passion for the development of both players and coaches. His energy and enthusiasm coupled with his talent for management and developing relationships will continue to foster growth and success. The Board of Directors along with the Staff, Membership and Players look forward to building upon a solid foundation that he has been instrumental in establishing. It is with pleasure that I welcome and congratulate Quan Phan as the new Executive Director of PWSI & VDA."

We look forward to building for the future with Quan as the Executive Director and we are excited for what is to come for PWSI and VDA.

###

About VDA - Virginia Development Academy is the summit of the elite player pathway for Prince William Soccer and Virginia Soccer Association. Formed in 2015, the collaborative partnership represents more than 8,000 players and participates in the Boys and Girls ECNL.

About PWSI - PWSI is a youth soccer organization that serves Eastern Prince William County, VA. The club is a 501(c)3 non-profit that caters to 5,000 unique members. PWSI provides opportunities for players U4 through Adults at the Grassroots, Adult Recreational, and Travel programs. PWSI's mission statement is to make meaningful contributions to the community through the game of soccer.
