Old Business:

None

New Business:

1. Spring Tryouts - Fundraising often takes place over the summer, budgets are set and it may make a difference in efforts for fundraising and summer training to build travel teams in the spring vs. waiting until fall.

Combo - concerns with building teams in spring, you may miss those kids that haven't yet committed to hockey and have other summer commitments.

Molino - Worked well for Midgets since football players aren't allowed on the ice during fall tryouts.

Ice can be scheduled March 12-15 for spring tryouts.

2. Second Sheet of Ice - Moving forward with Walsh Engineering for conceptual plans for second sheet of ice at Tauphus Park. A company from Denver, CO will come up with cost estimate. Fundraising efforts will then move forward.

3. Try hockey for free - March 3 10:30 -12:00. Depending on registration numbers, the time may be broken into sessions, Rifelj, Lehto, Combo, Brent, Travis and Jessica will not be

around. Pollard and Jackman will have to manage Try Hockey for free. Jackman will be in charge of registrations and Pollard will be in charge of on ice activities.

4. Divisional end of season dates -

Midgets - end of week March 15

Peewees - March 21 7-9

Bantams - regular schedule until March 15

Squirts - regular schedule until March 15

Mites - March 10

5. End of year awards

Trophies are ordered through Crown Trophies - provide a list of names and order 5 without names.

Division - MVP, MVD, Most improved

House teams will each have a Sportsmanship award

6. Other business - Alexi wants to bring Power Skating clinic during Spring Break. Association not willing to purchase the ice. Association is happy to advertise to members. His clinic is something to consider next fall when more members will be available to participate.

Motion to adjourn - Jessica

Second - Herb
