Marissa Collins ~

“I have always been extremely passionate about the game of volleyball. The last 16 years of my life have been filled with amazing experiences both playing and coaching. I’ve played at all levels including collegiately and professionally, and have now coached at UCA for the past 3 years. Over my years of playing, I have spent many summers training in the sand and competing in beach tournaments in multiple states. I love the vibes and atmosphere that surrounds beach volleyball and can’t wait to get back out on the sand!”

Abbig Harry —

I am currently in my third year at UCA and play for the indoor UCA team. My life has been all about volleyball for the past 10 years. Both indoor and beach volleyball has my heart. I’ve have experience with both during the past decade. Winning state in high school, playing for travel teams and competing all across the U.S. Playing at collegiate level and getting to complete in the NCAA tournament are just some of the amazing experiences I’ve had with indoor. When it comes to Beach, I dedicated my summers and free time to learn more about the game and came to love everything about it. Growing up I competed all up and down the East Coast and when I played in college we competed against schools all over the South. I have helped coach clinics, camps and teams in Virginia for beach. I cannot wait to help beach volleyball grow and share the love I have for this game!
