

3V3FAQ's

How many players are on the field?

Three field players and no goalkeeper, although you can play with two field players.

What is the roster size?

Maximum roster size is 6 players.

Is this tournament for local teams only?

You can put a team together from your community or you can have players from multiple communities.

How long are the games?

Games are two 10 minute halves, with a 2 minute half time, with a running clock.

I have a coed team. What division do they play?

All coed teams will be placed in the boys division for the respective age group. Boys cannot play on a girls team, but girls can play on a boys team.

What are the GOLD and SILVER Divisions?

In order to keep the tournament fair and as competitive as possible, we have two levels of play. Teams comprised of Rec and Travel players should enroll in the SILVER division, and teams made up of Travel and Academy/Classic/Cup players should enroll in the GOLD division. If you are a really good team of Rec and Travel players, you may enroll in the GOLD Division. Not all tournaments will have a gold and a silver division.

I have some players who do not play in PA West. Will that be an issue?

We accept all players regardless of any affiliations.

When are final rosters required?

Final rosters are due at check-in before your first game is to be played. You cannot add any player or players after your roster has been turned in at onsite registration.

What are the uniform requirements?

Uniform requirements are simple...all players must have the same color shirt. Numbers and team name/logos are optional. Shinguards are required, and it is recommended that all players socks match as well.

How do I determine the age group?

You must register your team based on the age group of the oldest player on the roster. Proof of age is required at check-in. Player cards, driver's license, birth certificates and passports are acceptable documents for age verification.
