This Season, Tri Counties Rugby will be shifting to a new schedule format with the goal of providing a more stable and predictable match day Experience.

The first Club on the schedule (A) will be the Hosting Club, the Second (B) the Visiting Main Event Club, and the Third (C) will be the Friendly Club.

The A&B matches at the U18/16/14 levels will all be league matches with the C / Motley match being a friendly. The motley team listed will be made up of any excess players from the A&B teams.

Should the one of A/B teams not have enough to field a full side, they will combine with C and one full match will be played. If both A&B have insufficient numbers, then they will combine to play a single match against C. If all three teams have insufficient numbers, the players will be evenly divided and a full motley match will be played.

For league standings (only A&B), If both teams have insufficient numbers, visiting team carries the forfeit.

Execution:

Thursdays Prior to Match: Visiting Clubs provide match reports to host event organizer (Denote eligible motley players with jersey #s >22) along with the name(s) of supplied referees.

Friday Prior: Host Event Organizer to confirm the venue (field closure due to weather, etc), final schedule and assigned referees.

Host organizers are encouraged to maintain the given start times for each bracket to support consistency all season long.
