

Thank you everyone for your patience as we put together the rosters. We were very encouraged to have such a great turnout with our first tryouts in SE MN.

Rosters for teams are posted below. Tournament schedules are included as well. We will send out separate emails with practice and coach information. This email will go out by next week.

If you do not find your name on a roster, we will issue you a refund. If you paid via card, that will be reimbursed on the same card. If you paid via check, the check will be shredded. We apologize for not being able to place all players. Please do not email asking about refund status unless two weeks have passed.

Please respect that we will not be able to reply to emails with questions in regards to team placement. With the number of teams we field, it is not possible for us to address every cut player or who made what team.

The next step for those that made a team is to be looking for communication from your coach which should come within the next week.

Again thank you for your support of our program!
